THE Grind

The Grind coffee shop first opened its doors in 2016 and ever since has been one of the main "Go To" places next to Rock Bridge High School. As many students have been seen leaving campus to stop by there for lunch. It is known for its nice atmosphere and friendly environment by anyone who lives near it. The Grind was born out of a love for coffee, as the owners had recently noticed that the main coffee shops were all downtown they decided they wanted to fix that and make one next to our high school. They are also personally committed to making high-quality drinks, just for you. Also having a closing time of midnight they are accommodated to the neighborhood, while also being open 24 hours every day during finals weeks for the students.

Las Margaritas

Las Margaritas opened in 2012 as an expansion of the original Las Margaritas that opened its doors in Poplar Bluff, MO in 1997. Esquivel's cuisine was so popular at his first restaurant that he later opened a second Mexican spot, in a spot where almost all the restaurant before had failed and it became one of the most loved Mexican restaurants in Columbia MO. With a very family friendly environment, the space features a large patio and sits adjacent to the manmade lake. They make and serve freshly prepared food and drinks each time someone new joins them. While also offering a wide range of authentic Mexican favorites, which makes it a very popular place near Rockbridge.

Shakespeares

Shakespeare's pizza near Rock Bridge first opened its doors in 2012. While not only serving pizza of all types, they also like to give back to their community whenever they can. They also enjoy helping schools like rock bridge for example. They are open until around 10pm-11pm every night. The workers at Shakespeare make sure everyone is happy at their restaurant and love to throw dough out of the shoot for children to play with.
